

The Automobile Association of Singapore organised its First 8D7N AUTOVENTURE ECO-DRIVE to JEJU ISLAND with 19 participants after a hiatus for more than a year!

The Automobile Association of Singapore organised its First 8D7N AUTOVENTURE ECO-DRIVE to JEJU ISLAND with 19 participants after a hiatus for more than a year! With the opening of the Singapore and South Korean VTL, AA Singapore has resumed our Autoventure drive after more than a year. The 19 -Member AUTOVENTURE group arrived in Seoul on 24 November 2021 and went through a smooth customs clearance process in less than 2 hours. This is also the first overseas tour group received by Jeju Island after the pandemic outbreak. Highlights of the 8D7N itinerary include climbing the Seongsan Ilchulbong and visiting Cheonjiyeon Waterfall, Udo Island and O'Sulloc Green Tea Plantation. The participants will be driving electric cars for 5D4N in Jeju Island.
