

Endorsement Forming Part Of and Attaching To Travel Guard

COVID-19 Cover

The AIG travel insurance policy has been amended to address certain situations pertaining to COVID-19. This means that for some benefits, cover is expanded to include losses occurring after COVID-19 was a known event and could reasonably have been expected to lead to a claim (which otherwise could have been excluded as set out in the General Exclusions section of **your** policy). This Endorsement addresses what **you** are and what **you** are not covered for as it pertains to COVID-19.

Please note:

1. This Endorsement will attach to and form part of **your** policy.
2. This Endorsement is subject to all the provisions, limitations and exclusions of the policy except as they are specifically modified by this Endorsement. If any provision, limitation or exclusion in the policy is inconsistent with this Endorsement, the terms of this Endorsement shall prevail. Please note in particular the General Exclusions and General Conditions sections of the policy.
3. All terms defined and references construed in the policy shall have the same meaning and construction in this Endorsement. Terms shown in **bold** in this Endorsement have defined meanings given to them in the General Definitions section of the policy.

COVID-19 Cover

The policy will cover and **we** will pay up to the amount shown in the table below for claims relating directly to COVID-19, subject to the exclusions listed below and the terms and exclusions of **your** policy.

Understanding Your Policy

This policy is primarily designed and valid for conventional leisure and business travel. A range of benefits are available under this policy, however there are some circumstances where cover cannot be provided which are described in the policy wording. It is important that **you** read and understand it and retain it in a safe place.

The policy consists of General Definitions, General Exclusions, General Conditions, the policy sections, the Policy Schedule **we** issue to **you** and any Endorsements that attach hereto. In this policy:

- Words or phrases that appear in **bold** have specific meanings, which are described in the General Definitions section on pages 6 to 10.
- The General Exclusions on pages 10 to 12, and General Conditions on pages 38 to 42, apply to all sections of this policy. Additional section specific conditions and/or exclusions may also apply, which will be set out in the applicable policy section.
- Under each section:
 - What you are covered for under Section x** describes the benefit available to **you** including any **Conditions** that may apply; and
 - What you are not covered for under Section x** sets out the section specific exclusions that will apply in addition to the General Exclusions.
- The Policy Schedule contains the policy options **you** selected including the product, **selected plan**, zone and policy type, and shows important policy details such as the period of insurance, **insured persons** and the excess applicable to any claim made by **you**. **Your** Policy Schedule will also show whether **you** have purchased any additional optional covers and/or any special terms **we** issue to **you**.
- Headings in this policy don't affect the interpretation or meaning of any of the covers available to **you** hereunder and are intended only to assist **you** in navigating this document.

Product Selection

This is an **overseas** travel insurance product, under which **you** can choose:

- A Per-Trip policy which may either be:
 - A Return Trip policy, which covers one **trip** during the period of insurance up to a maximum of 182 consecutive days as specified on **your** Policy Schedule; or
 - A One-Way policy, which covers one **trip** during the period of insurance until **your** arrival at **your** first **overseas** destination under the following sections only: Section 16, 17, 19, 20, 21, 22, 24, 25, 26, 27, 28, 29, 30, 31, 32 and 39.
- An Annual Multi-Trip policy which covers unlimited **trips** during the period of insurance up to a maximum of 90 consecutive days for any one **trip**.

Selected Plan

The policy is further broken down into plans. The different plans have different levels of benefits available or in some cases the benefit won't apply, as shown in the Schedule of Benefits. **You** can choose from Premier, Superior or Classic plans in respect of Per-Trip policies, or from Premier or Superior plans in respect of an Annual Multi-Trip policy.

Under this policy **selected plan** means the choice of Premier, Superior or Classic plan which **you** or **your** representative made at the time of application and which is shown in **your** Policy Schedule.

Covered Zone

The zone shows the destinations to which cover applies under this policy. **You** can choose:

Zone	Applicable Destination(s)
Zone 1	Malaysia, Indonesia, Vietnam, Cambodia, Philippines, Brunei, Laos, Myanmar, and Thailand.
Zone 2	Countries listed in Zone 1 and China, Hong Kong, Taiwan, Macau, Maldives, Bangladesh, Australia, Japan, South Korea, New Zealand, India, Mongolia, Pakistan, Sri Lanka, Bahrain, Kuwait, Qatar, Oman, the United Arab Emirates, Argentina, Belize, Bolivia, Brazil, Chile, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Guyana, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Suriname, Uruguay and Venezuela.
Zone 3	Countries listed in Zone 1 and Zone 2, and the rest of the world (excluding Cuba, Iran, Syria, North Korea, and the Crimea region).

You must select the zone based on the highest zoned destination that **you** intend to travel to. For example, if **your** travel itinerary is from Singapore primarily to Indonesia but includes a stay in Australia, then **you** must select Zone 2 because Zone 2 includes Australia. If **you** only select Zone 1 for Indonesia, then **we** will not meet any part of **your** claim that relates to or arises in Australia. This includes cancellation costs.

For the purpose of clarity, transit stops that do not necessitate entry into a country or that require entry into a country only to connect to another international flight within 12 consecutive hours of arrival are not considered a destination country for the purpose of choosing a zone. **You** will be covered for events that occur in these countries even though they may not be listed in the zone description. The same applies for transport accidents that may occur while travelling through or over these countries or for emergency diversions to these countries.

We will not provide any cover for loss, injury, damage or legal liability arising directly or indirectly from planned or actual travel in, to or through Cuba, Iran, North Korea, Syria or the Crimea region under any of **our** policies.

Policy Type

The policy type shows which people are insured under the policy. **You** can choose from either Individual or Family cover.

1. If **you** choose Individual cover this policy insures **you** only.
2. If **you** choose Family cover this policy insures **you** and/or **your** spouse and/or **your** children. Under a Per Trip policy, the family must depart from and return to Singapore on the same itinerary together as a family for cover to apply. Under an Annual Multi-Trip policy, cover will apply to **you** or **your** spouse whilst travelling separately of each other; however **your** children must be accompanied by **you** and/or **your** spouse for the entire **trip** for cover to apply.
